

Office Furniture and Interiors

We have pleasure in introducing our company and

Who we are...

What we do...

How we do it...

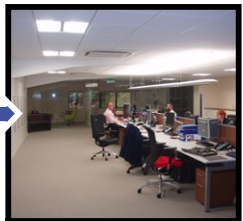

Who we are...

Cupaz Office Interiors are a specialist interior fit-out company who can look at your office requirements and ensure that the space you occupy or plan to occupy is best suited for your needs, be it...

- Increasing staff density without feeling crowded!
- Improving the environment through design & style
- Making your offices more 'sexy' to staff & clients
- Ensuring compliance with current regulations
- Manage your relocation or dilapidation commitments
- Modernisation or Corporate identity enhancements

If you are planning to do *anything* to your offices

Ring **01920 465 037** or visit www.cupaz.com

Cupaz Office Interiors

- Dilapidations

How we do it...

We visit and talk about your plans then measure up...

We send various ideas and scenarios back to you..

From your responses and further chats we revise these..

We discuss and 'tweak' these and create a final plan..

We quote and discuss implementation, schedules etc..

We project manage all works to minimise disruption..

Upon completion & snagging we sign-off your new space.
